

devolo Home Control

Central Unit

The centrepiece of your smart home.

The **devolo Central Unit** discreetly ensures that all components of your smart home work with each other without a hitch. The innovative and future-proofed Z-Wave® wireless technology comes in handy here. So you will never need to worry about losing your Internet-connection, since your devolo Home Control is fully functional on its own in the house.

devolo Home Control

Central Unit
